Smile	G	E	S	D	E	N	T	I	S	T

WORD DECODER

Add up the numbers represented by each set of symbols and replace them with the corresponding letter. For example, the first letter in the message is R. A spiral counts for 10, a star counts for 5, and each dot counts for 1, so 10+5+3=18 and the 18th letter of the alphabet is R.

1 = ● 5 = ★ 10 = ☉

FINDERS KEEPERS

Color the things that help keep your mouth healthy.

WHAT A TANGLE!

Can you find which string of floss we need to use in order to floss the teeth in the mouth below? Color in the little rectangle on the floss dispenser with the right string!
